The Tale of Mark Suzuki

★ Chapter 1 - With a Tutor ★

I am Mark Suzuki.

Please read my story.

< 5 years ago, In my room [12] >

I was not good at math that time.

So Mom hired a well-reputed math tutor, Asuka Yamada, a Tokuyo University student.

She was hired because she could teach math both in English and Japanese.

Though she looked like a modest Japanese woman, she was tall and slender with a fantastic figure, of course, big boobs.

As a matter of fact, I jacked off many times imagining me and her having sex.

" No, Mark. That's not it."

Asuka said angrily.

" Do I have to add or subtract?" asked I.

" Forget it. Why don't we take a break?" suggested she and I agreed.

" Can I ask you a question, Mark?"

Have you ever made love with someone?" asked Asuka.

" What?"

" I'm asking you if you ever had sex," said Asuka smilingly.

" No, I'm just a 12-year-old junior high school student.

What do you expect?" I said anxiously.

" I expect this," said she and kissed me softly.

" Do you like me, Mark?" She asked me and I nodded.

She squeezed her tongue into my mouth
and my tongue went into her mouth.
We kissed very long time and then moved to the bed.
My cock was already fully erected.

Asuka touched my cock over my pants softly
then she started unzipping my pants.
She took off my pants and underwear together.
My cock popped up.

" My god. You are already a man," said she with her eyes wide open.

And then she started sucking my cock.
She took off her panties and threw them some place.
So she had nothing on under her skirt.

She took my right hand to her pussy.
It was all wet all over the place.
I began putting my finger into her pussy, in and out.
Looked like she was holding her voice but finally said,

" Touch my clit, too."

But I did not know where the clitoris was.
So I kept looking for it around her crotch.
Finally she said,

" Not there, honey. That's my ass hole."

She took my hand and led it to her clitoris.

As soon as I started touching her clitoris,
I climaxed and ejaculated in her mouth.
She took her mouth off my cock and looked me smilingly.
Then she swallowed my cum with relish.

" Thanks, Mark. It was delicious. I want another one."

She thanked me and she spread her blouse and opened her bra.
Nice-looking boobs popped up.

" Can I touch your boobs, Asuka?" I asked.

" Can you touch my tits?

Yes, you can touch my tits or any other part of me.

Or you can lick, suck or fuck.

You can do whatever you want, honey."

So I started rubbing her rather big soft boobs
and playing with her nipples.

" Suck my nipple, Mark," said Asuka.

Pretty soon my cock came back.

Asuka started sucking it as if she was waiting for its recovery.

But this time, she sat on my face,
pushing her almost bold pussy on my mouth.
Soon my face was covered with her joy juice.

All of a sudden, the intercom rang, a call from Mom downstairs.

I had to answer it soon.

I tried to see the cordless handset on the side table
but it was dark
because Asuka's skirt was hanging around my head
like a drape.
